

COVID - 19 HEALTH AND SAFETY FOR INDOOR CLASSES

- Masks that cover the nose and mouth are required 100% of the time in the building for people over the age of 2 years.
- Each studio has markings on the floors to signify 6 feet of distance between each person. Socially distancing must be maintained.
- To limit the number of people in the building, there may be one guest per family (excluding non-mobile infants) inside the studio building.
- Guests that stay indoors must wear masks and fill out a health screening form in order to sit in the waiting area.
- Everyone must remain socially distanced in the waiting area.
- Guests are welcome to observe dance classes outdoors or wait outside for their dancer if they would like.
- To allow dancers to store personal possessions, only Off-Broadway Performing Arts Studio staff and dancers will be permitted to go past the ramp leading to the purple studio.
- Fans will be used during all classes to increase air flow in studio rooms.
- Dance studios will be cleaned between each dance class. Dancers in class levels 3+ will assist in the cleaning process at the end of class.
- Sweat towels will not be provided; we encourage dancers to bring their own.
- We encourage dancers to bring 2 masks to dance class in the event that a mask becomes unusable.
- There will be no toys or merchandise on display in the building.
- Dancers may not share items brought to dance class (ex: water bottles, towels, masks, clothing, etc.).
